For: UHT Pasteurizer with Regeneration

INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents

Alexandria VA 22313

Applicant is submitting herewith copies of the U.S. patents and one European published patent application, as listed on the attached form PTO 1449. Some of these patents are or may be discussed in the accompanying patent specification. The patents illustrate the state of the art in regeneration and pasteurization technology. Applicant is submitting these documents in good faith to assist the examiner in identifying possible fields for search and in conducting as thorough and complete an examination as is possible. This is not intended to be an exhaustive listing of the prior art.

Respectfully submitted
